Alexa escape room the office

Kids who are way under the target age range for the Escape the Room Amazon Echo skill have fallen in love with the game. Specifically, they are trying to escape the car. I haven't been able to find a walkthrough anywhere online. If you know of one or can outline the solution, that would be great. I just want to help them over the really complicated parts, and don't have hours of free time to puzzle it out myself. posted by benzenedream to Computers & Internet (2 answers total) 1 user marked this as a favorite Response by poster: Awesome, we were stuck on the wire colors. Thanks!posted by benzenedream at 9:37 PM on January 27, 2018 « Older Please help me navigate hospice/palliative care in... | Can badgers swim across one's moat? Newer » This thread is closed to new comments. Click the notepad, it says the password is a birthday in the format "ddmddm", click the calendar on the wall, click the upper page to view august, you'll notice a cake on Aug 19th, so that's the birthday, use password 198198 to access the PC, open the documents, then open credentials, you'll get the mobile's PIN.Click to see full answer Just so, how do you escape the game? The best tips we can give for a first timer of escape games are: GET INTO IT RIGHT AWAY. SEARCH THE ROOM THOROUGHLY. DON'T BUNCH AROUND ONE PUZZLE. SHOUT OUT WHAT YOU FIND. TRY EVERYTHING & LISTEN TO EVERYONE. DON'T OVER-THINK IT. ORGANISE YOUR OBJECTS. ASK FOR HINTS. Likewise, how do you beat escape the bathroom Afro Ninja? Escape The Bathroom Walkthrough Click on the plunger. click on the toilet seat. go back then click on the back of the toilet and grab the plunger head and drag it to the flush valve and click. Click on the toilet reservoir and use the plunger's head on the flush valve. Go back and click on the bottom cabinet and grab the baking soda. Beside above, how do you beat escape the bathroom? Walkthrough Guide Grab the plunger! Open cabinet and take the baking soda and directions. Put the plunger in the toilet to separate the 2 parts. Open the top of the toilet. Go right 1 screen and move the 2nd tile in the top row. Look up. Use the wrench to turn on the water to the toilet. Flush the toilet. What is the code in escape the freezer? Escape the freezer Heartbreakingly, this is where you'll find Abby's body. okay what's up guys today we will be doing another remakeoh man lots of videos because the pastones up I didn't explain it enough Creekclearly to you guys so I'll be remakingthem so this one we're doing the car howto escape the car level and Lex escapethe room so let's get startedavailable rooms are the office the carthe jail cell and the garage which roomwould you like to enter the car a brightlight shines into your eyes waking youfrom a deep slumber all you can rememberfrom before is spending another latenight at the local bar drinking morethan your fair share of beers I reallyneed to cut back on my drinking youthink to yourself as your eyes slowlyopen you realize this is no ordinaryhangover a seat belt restricts yourforward movement you try to unbuckleyourself but the latch is glued shutas you tug at the belt it refuses tobudge only getting tighter you look toyour left and then your right noticingthe windows have been replaced by thicksheets of metal in the front you areable to make out a windshield where theglare is shining through panic sets inas you begin to wonder if you will eversee your family again what would youlike to do just say look up down leftright or forward to begin[Music]look right you look to the right thatyou don't see much the windows are solidmetal and a seat beside you is old andtorn up what would you like to doinspect the seat you look in the seatand find a screwdriver you pick it upwhat would you like to do you look up atthe ceiling there is nothing but anoverhead light it looks like somethingmight be stuck in there but you can'tmake it out what would you like to douse the screwdriver on the light you usethe screwdriver to unscrew the lightcover and a knife pops out you pick itup what would you like to do[Music][Applause][Music][Applause]look down you look down and see a carpetthat matches your shoes almost as if youhad coordinated it what would you liketo do use the knife on the seat belt youuse the knife to cut yourself free fromthe seatbelt it falls to the floor andyou are now free to move around thecabin what would you like to do lookleft you look lefthere isn't much besides the cup holderin a window what would you like to doinspect the cup holder you look in thecup holder and find a key you pick it upwhat would you like to do[Music][Music]Nowthat would you like to do say more timeif you need more time look for a youlook into the front seats and see theglove compartment and is safe in thepassenger seatit looks like the dash panel has been tampered withyou get closer to the windshield to geta look outside you wish you were outthere what would you like to do use thescrewdriver on the dash panel youunscrew the dash panel and reveal abunch of wires they are not connectedwhat would you like to do[Music]look forward you look into the frontseats and see the glove compartment andis safe in the passenger seat a bunch ofwires are coming out where the dashpanel used to be you get closer to thewindshield to get a look outside youwish you were out there what would youlike to do use the key on the glovecompartment you unlock the glovecompartment with your key inside youfind some electrical tape which you pickup and the car manual on the manualcover is scribbled every drivers brakelights are considered key but lyingunder each wheels hubcap is their escaperroute what would you like to do[Music]look forward you look into the frontseats and see the glove compartment andis safe in the passenger seat a bunch ofwires are coming out where the dashpanel used to be you get closer to thewindshield to get a look outside youwish you were out there what would youlike to do use the electrical tape onwires you begin using your electricaltape to connect the wires safely choosefour wire colors to connect in an ordered black blue and white the wiresconnect and the cars power comes back onwhat would you like to do look down youlook down and see a carpet that matchesyour shoes almost as if you hadcoordinated it the cutout seat belt lieson top what would you like to do inspectthe carpet you lift the carpet andreveal an old rusty license plateit reads M M C D X V what would you liketo do[Music]look forward you look into the frontseats and see the glove compartment anda safe in the passenger seat a bunch of wires are coming out wherethe dash panel used to be you get closerto the windshield to get a look outsideyou wish you were out there what wouldyou like to do inspect the safe youenter in four digits to the safe whichfour digits would you like to enter twofour one five the safe swings open youagreed the sigh of relief inside the safeyou find a shiny new sledgehammer andpick it up what would you like to do[Music]you swedge hammer on the windshieldyou wind up and swing the sledgehammerinto the windshield as hard as you canyou let out a big sigh of relief as youcarefully climb out of the windshieldand find your way back homecongratulations on your escape not manypeople have made it this far it took youten minutes 51 seconds to escape othat's because it was a chaser the 95percent of other players challenge yourfriends to beat your time or try to beatit yourselfnow that you have beaten a room we wouldlove if you could give our skill areview on Amazon we've spent many hoursworking to bring this skill to you andthe review goes a long way to help keepus motivated to bring you moreimprovements and great skills in thefuturenext I will XF okay we'll ask you againsome other time thenexit okay guys so that was the remake ofAlexa escape the room the car level sohope hopefully it is you enjoyed thatplease like the video and smash thatsubscribe to sub smash that subscribebutton
